DESCRIPTION

Designed by Space Copenhagen, the Stay Slipcover introduces a softer interpretation of the Stay Collection's enveloping form. Conceived as part of the collection's original thinking, it allows the silhouette to shift in character while preserving its defining sense of comfort and enclosure. Crafted from stonewashed linen, the slipcover brings depth, tactility, and subtle variations to the surface. Its natural softness and understated palette reinforce Stay's identity as a calm, grounding presence across home and hospitality settings - balancing refinement and informality in another way to stay.
