

## MONDO LARGE FLOOR LAMP

ANTONIO FACCO

The Mondo Floor Lamp Large is a sophisticated evolution of the original design, offering even greater presence in your space. Like its pendant counterpart, this larger version is dimmable, giving you full control over the light intensity. It also features exchangeable shades, allowing for easy replacement if needed, ensuring longevity and adaptability over time. Powered by energy-efficient LED lighting, the Mondo Floor Lamp Large enhances the interplay of light and shadow created by its overlapping metallic shades, continuing to invite you to shape your own luminous experience.
